Workstation PC - Sharing Protocol

1. Request access to the Desktop PC by sending an email to dtroullinos@tuc.gr or mkoutsmanis@tuc.gr.

2. Google Calendar is used to reserve a time-slot for using the shared PC, so provide a gmail account in your email.

3. Google Calendar is shared among all users to avoid overlapping slots.

4. The time-slot duration can vary from 1 up to 12 hours, and until 3 consecutive time-slots per user.

5. Remote access is established through (Anydesk)
